Ему хочется позвонить Ноэлю снова, дожидаться ответа и спросить смущённую тишину на том конце провода: «Каким ты хочешь меня видеть? Что ещё мне нужно сделать, чтобы ты выбрал меня? Почему меня недостаточно?». Хочется прокричать это Фишеру в лицо, стереть виноватое выражение кулаками, уйти, хлопнув дверью, и на этот раз не обернуться.

Он хочет того же. Хочет взять Кэма за руки, дать клятву и протянуть всего себя. Возьми, давно твой, забери окончательно. Хочет увидеть восторг в его глазах, прижать ближе и собрать губами эмоциональные слёзы. Они бы наверняка оба расплакались. Хочет поверить и осознать, что счастье - вот оно, рядом, рыжее и всё ещё порой неуклюжее, солнечное и искреннее, сейчас и навсегда. Без страха, без тайны, вне запретов.

Та часть Камерона, в которой инстинкт самосохранения не атрофировался рядом с Фишером, бьётся в ужасе. А всё остальное ликует. Моё. Рядом. Можно дотронуться и притянуть ближе. Ладони зудят, требуют больше. Они помнят, какова эта бледная кожа на ощупь и как ярко горят на ней синяки и укусы. Они хотят её снова - и получат, пусть и лишь по сценарию.

Люди играют любовь, а после снимают её с себя вместе с гримом и костюмами, жмут партнёрам руки и возвращаются в реальную жизнь, забывая о них. Камерону то ли образ оказался слишком вপুরу, то ли Фишер и в этом особенный.

...They look at each other and suddenly both exhale loudly once again, with satisfaction. After all of the running Noel did today, he just gets to walk as slow as he wants to. Or even not walk at all. Cameron was walking and jumping so much that now he just gets to be and ignore every single thing around him. Except for Noel.[...]It's a safe space, they don't need to pretend."

Ho sempre avuto scolpito nella testa un mio personale film su come siano andate "realmente" le cose tra Cam e Noel dietro le quinte di Shameless. Forse perché non riesco ad accettare che la foooorte chimica che c'è tra di loro dipenda solo dalla loro bravura come attori. Ho preso da internet vari spunti, delle loro interviste e tweet etc. e ci ho ricamato intorno. Questa è la mia versione della storia... ma non escludo che sia potuta accadere davvero! :)

Little snippets of Cameron's and Noel's life the way I could imagine it to be. It's fiction. Therefore feel free to comment on the writing but not on my imagination."I said, firecrotch" and Noel pressed Cameron against the wall of his trailer "we probably both fucked up and fell out of character. You and your 'now I finally got you where I always wanted you hell of a smug grin', Monaghan." Their faces now only inches apart, Cameron could feel Noel's breath on his cheek. "Monaghan, now, huh? If you think I already made you fall out of character now, you should better keep up with your genius idea of calling me and Ian firecrotch or..." and he leaned in twisting his tongue behind Noel's ear before biting it slightly "...I'll make you cry out Monaghan in the most inappropriate situation ever, making that scene a legend." And he emphasized his determination with a tight and painful grip of his huge hand at Noel's delicate peachy ass. Noel was lost. "Shit," he quivered. "Get down." Cam growled and Noel wondered if he had ever been so obedient to anyone, or would ever be again.
