You can download the underlying PDF, Download: Printable Warnings Worksheets for 2<sup>nd</sup> Grade (visited 12,708 times, 15 visits today) Register and access: Answer All keys A, A, A, A, A, A, A, A, unlimited access so far we have learned on names, verbs and adjectives. The names are words for people, places or things. The verbs are words of action. Each phrase has one. They say what the subject is doing, or how it's being. The adjectives are words that describe the names. Now we learn a more important part of the speech: adverbs! What are the adverbs? It dies the adverb aloud. What do you hear? A "add + verb" adverbs add more to a verb! Take a look at the winter quickly: the adverb quickly tells how the verb is done. Adverbs who say how much adverbs tell how a verb is done. They usually quickly quickly stacked books. Tip: Not all words ending inactively are adverbs. For example, the family is not a adverb. It is a collective name. Avoids that they tell when and where The adverbs can also say when and where a verb has happened. We always play always hide. Backrun returns to your sunglasses. Ergania here. Watch this sentence: A à ĉ à ĉ à ĉ ;sometimes I eat my peas at Dinner. What is the adverb above? First of all, find the verb. Až æ 'eating is the verb.â, what does adverb say when or where do you eat? Až
