Election day payday 2 stealth guide

Payday 2 election day solo stealth guide.

Yes We Can! is a reference to Barack Obama's 2008 presidential campaign slogan. Find out which one of the two buildings holds the power boxes needed to protect when stealth should fail. Additionally, the National Retail Foundation projected that Americans would spend a staggering \$27.4 billion in 2020 on Valentine's-related items. By the end of the 400s A.D., Pope Gelasius put an end to the festival, noting that its pagan roots were in direct opposition to Christianity. Each interaction with the computer will bring up one of three companies. High-speed Walkthrough[] Election Day can be rushed such that it only last the same as other 1-day heists but still provide a 2-day bonus. These days, the Greeting Card Association estimates that 145 million people send Valentine's Day cards each year — and that's not including all those cards kids trade at school. Bugs[] On day 2, breaking the small windows to the left side of the warehouse and looking through the left and right side of the window will let you see through the walls and objects of the world and only show certain objects of interest. (stealth only) Get the gold to the van. Shortly after, King Henry V allegedly hired a ghost writer to compose a valentine to his love. The player entering the pier may either: Go immediately to the trucks and tag one of the two possible trucks. If there are 2 trucks with the same color of the container with the voting cards, then tag the one that doesn't have a second truck from the same company. Well, most Christian feast days are associated with a saint and, as you might be able to guess, Saint Valentine is primarily known as the patron saint of lovers. Drills. Escape. (Guards will not notice opened crates with/without ballot machines or ballot machines that have been hacked. Computer Make your way over to the two warehouses and search the offices upstairs and downstairs until you find the computer. Some containers may not be open at all forcing you to use the computer. Storage Hunter is a reference to the TV show "Storage Hunters". The bulldozer is most often armed with an IZMA. (See "variations" for events) Drill the Vault. The Most Honest Political Move[] Complete the Election Day job on the Very Hard difficulty or above. The following achievement was removed on October 5, 2016. Yes We Can[] Complete the Election Day job on the Death Wish difficulty or above. Crates in the secure cage can be sometimes opened from the cage next to them. As long as the ECMs are properly chained, there should be enough time to identify the correct truck and tag it to go to normal Day 2. Keycards can be found in the two office areas on the second floor, in the locker room and on the desk in the lobby area next to the locker room. Hack it. They will be a civilian rather than a guard. Ballot machines that are currently in the process of being hacked. The correct truck will be one of the remaining two trucks left, which will be from two different companies. No alarm is raised and nothing else happens. Note: The computer always shows the companies in the following order: Avalon, Kranich, Omni Exports, Hefty. There are a few different things that can happen with the elevator: The elevator can arrive as normal and have the drill sitting in it. This may mean that all versions of Day 2 were to be set in daylight. The first company that is excluded from the list will be the correct truck, meaning the truck can be ascertained without using the computer more than three times (if the first three companies are shown, then the correct truck will have the Hefty logo). The player entering the pier should not kill any guards as papers are not stopped by ECM jammers (unless ECM Specialist is aced). Only Losers Play Fair[] Complete the Election Day job on the Death Sentence difficulty with the One Down mechanic activated. After the player enters the pier, the crew should begin chaining ECMs (deploying another ECM as the last one finishes) to stop the alarm from sounding. The Capitol Savings Bank building present on Day 2 Plan C of this heist is based on the Field Building in Chicago. But when did the holiday become what we know today? The building with the boxes contains the computer. They are usually outside guarding the entrance but can sometimes be patrolling inside. The instant it detonates the alarm will sound; even with an ECM jammer placed and cameras taken down. Storage Hunter[] On day 2 of the Election Day job, steal all of the extra loot in the storage bins. (2 bags) If the vault is empty, there are two possible objectives/outcomes; raid the deposit boxes, or skip straight to Escape. Hot Lava 2.0[] On day 1 of the Election Day job, use the computer in stealth without ever touching the ground. (300 seconds) Escape, OR: Optionally, hack the computer again. That celebration was known as Lupercalia, a fertility festival dedicated to Faunus, the Roman god of agriculture, and Rome's founders, Romulus and Remus. Don't Forget to Vote[] Complete the Election Day job on the Normal difficulty or above. The heist contractor is The Elephant who wants to make sure the vote is swung in favor of his mayoral candidate Bob McKendrick. It is said that before his death, he signed a letter to her "From your Valentine." Of course, which version of Valentine is actually the day's namesake doesn't quite matter as much as what the figure stands for — love, empathy and sacrifice. How Did Valentine's Day Become the Holiday We Know Today?[] Apart from Valentine's letter of legend, the oldest known valentine came about in 1415 when Charles, Duke of Orleans, wrote a love poem to his wife while he was imprisoned in the Tower of London. There are several dumpsters that can be interacted with to open or close them; they can be used to hide body bags. Given the patrolling guard patterns and the time required to drill the cages, it is strongly advised to avoid drilling cages where possible, especially those on the ends towards the front of the warehouse - guards will very likely spot the drills from the central 'room' even if they would not see a crouched player at that distance. The fences besides the gate may be covered so you can't cut them. (8 will spawn) 4 need to be hacked on Normal 5 need to be hacked on Hard 6 need to be hacked on Very Hard and above Find a Crowbar. In this town, any kind of suspicion could discredit a nominee. If you look at the companies printed on the sides you will notice that there are two pairs of trucks from the same company. Forklifts in the warehouse can be interacted with during stealth, but cannot be used once the alarm is raised or after a guard has turned it off. During the Middle Ages, folks would associate this feast day with love and romance, especially in the wake of Geoffrey Chaucer's The Parlement of Foules, a poem about birds finding their mates. So, how did this feast day become known as Valentine's Day? Day 2 (Plan C) [Breaking Ballot] Objectives[] Locate the server. Meaning that even if you go loud and the trucks leave the docks, you can still get this achievement by hacking the server twice for a 100% chance at trailing the right truck to the warehouse. Broken Cameras. Note: If you want to force "Day 2 Plan C", then place down an ECM jammer, sprint over to the trucks, then place the GPS tracker on any of the two trucks with the same company logo Day 2 (Swing Vote)[] Objectives[] Locate the ballot machines. There are several cameras as well. It was added for free in Update #25. A guard may be idle at the front gate. When the elevator arrives, a Bulldozer will throw the drill bag out and attack immediately. Master Detective[] On day 1 of the Election Day job, tag the right truck. On Mayhem, the chances of the voting cards appearing are rare. The C4 charges used to breach the wall behind the bank are lethal to anyone in its blast radius, which is the cubicle's area where the ballot machines are located, so clear the area before the charges go off. By the 1800s, Richard Cadbury, the founder of the Cadbury chocolate company, began the practice of gifting boxes of chocolate on Valentine's Day in the U.K. Meanwhile, in the U.S., Esther A. Day 1 (Right Track)[] Objectives[] Get inside the docks. When used, they create a lot of noise to attract one of the guards to it. Some crates will be in secure cages in the back areas; there are 8 cages in total. The Master Detective achievement is slightly bugged. Escape. Find the computer. Your Vote Matters![] Complete the Election Day job on the Hard difficulty or above. After a short delay, one of the other elevators will then open to reveal the drill. All players must be equipped with ECM jammers. (By eliminating the two pairs of trucks from the same company, the possibility of guessing a correct truck is lowered to 2 trucks) This will have a 50% of chance to go to the normal Day 2 and a 50% of chance to go to Day 2 Plan C. On day 2, after sawing open a cage door, it is still possible to use (and waste) a keycard on its slot, which closes and immediately reopens the door. Murphy's Law[] On day 1 of the Election Day job, tag the wrong truck, then find nothing in the vault. In this telling, the imprisoned Valentine sent the first "valentine" greeting to a young woman who had visited him. Find which Truck has the ballot machines. Some crates can also be interacted with through the walls. (300 seconds) Escape. (Hidden timer; 60-180 seconds, may need to be rebooted, up to 2 times) Blow open the wall to the bank. Voting cards have a rare chance of appearing in containers. Open them via one of these means: Each cage will take 60 seconds to drill open (40 with Drill Saw/peant Ace). On day 2, completing the heist in stealth triggers the loud epilogue regardless, rendering the stealth epilogue impossible to trigger. Strategy[] There are stacks of crates and boxes that can be used to climb up to the upper warehouse levels and quickly cross the dockyard. Do note that because of the short drill time, the drills jam extremely frequently, sometimes they can even jam in less than 5 seconds after being restarted. Only one player should enter the pier, preferably with some skills increasing running speed and stamina. Tagging the wrong truck will change day 2 into plan C, which can only be completed in full aggression. Death Wish Swinger[] In the Election Day job, complete the heist in stealth and swing the votes to the republican favour on the Death Wish difficulty or above. Tag the correct truck. Another Valentine, this one a bishop, was also put to death by Claudius the second, though little is known about that potential namesake. Speedlock Holmes[] On day 1 of the Election Day job, tag the right truck and leave within a minute of the start of the heist. Mayhem+ changes[] All days: All cameras are Titan cameras. The crew only needs to hack the computer if escape is not already available when the heist goes loud. Sometimes they will be covered, but you can still look into them from the catwalk above. Perhaps the most popular legend associated with Valentine's Day tells the story of a man who wanted to help Christian people escape Roman prisons. The police will deploy snipers behind the bank/polling station and at both exits of the building. The vault may be located on either side of the wall. Achievements & Trophies[] I'm a Swinger[] In the Election Day job, complete the heist in stealth and swing the votes to the republican favour. Strategy[] Guards/Cameras notice: Players: This results in guard pagers being unable to be answered. You will need to find a container that contains voting cards; the color of the container with the voting cards will be the truck you need to tag with the GPS. Be aware that shooting guards silently results in ragdoll physics that can send bodies over fences or into the water. Photo Courtesy: JHU Sheridan Libraries/Gado/Getty Images Observed in the United States, Canada, Mexico, France, Australia and the United Kingdom, modern Valentine's Day as we know it was first celebrated in the 17th or 18th centuries, with folks exchanging handwritten notes and small tokens. The crew must place a GPS tracker on the truck moving the ballot machines in order to hack the ballot machines later on. The images showcasing the GenSec units on the Death Wish announcement site show them in what appears to be the warehouse in Day 2 Plan A/B, but set in daylight. If done properly, a rushed Election Day will still provide a 5% stealth bonus after completion regardless of the situations on Day 2. In an attempt to Christianize the holiday, Pope Gelasius decided to replace Lupercalia with a Christian feast day. Bain will act particularly surprised if this occurs. They would then sacrifice a goat and a dog, animals that represent fertility and purification respectively. Photo Courtesy: Fine Art Images/Heritage Images/Getty Images One popular legend suggests that when Emperor Claudius of Rome outlawed marriage for the young men in his army, a priest named Valentine performed marriages in secret. Reputation Beyond Reproach[] The Breaking Ballot and Heist in the Election Day job, complete the heist with you and your four man crew without letting anyone getting downed, cloaked or cuffed on the Death Wish difficulty or above. Day 2 Plan C is currently the only heist in which the present ATM's are not from the Harvest & Trustee, but the Capitol Savings Bank instead. Eventually, he was found out and Claudius sentenced him to death. This heist is noteworthy for having a great emphasis on stealth over aggression, with the maximum reward to the crew if they can complete day 2 correctly and maintain stealth throughout. Some doors leading to the offices where the computer may be located will be open instead of closed. The following appeared on March 13, 2014. Therefore, any container you see that is open is more than likely an incorrect truck. Containers can be in different positions, sometimes blocking off routes and opening new ones. Likewise, the ballot machines in the crates can also interacted with this way. Be wary about non-CPU teammates inside the radius, as they will be downed. You can also use any of the above two methods to help you eliminate the final truck. Tag any of the 2 remaining trucks (50% chance). If a player moves near one, it will detonate, instantly incapacitating anyone who isn't wearing an ICTV with the Muscle or Stoic perk deck equipped. However, it may still be worth checking the contents to make sure, since although it is rare, it is not completely impossible for the voting cards to appear in a container. I invented the Internet[] Complete the Election Day pro job on the Death Wish difficulty. (Mayhem+ only) Hack the ballot machines. (optional) Escape. Body Bags/Loot Bags. Enter the two warehouses and search and use the computer. In exchange he will use his connections to help the old Hoxton be transferred out of Hazelton to a prison with lighter security. Of course, it didn't start out this way. According to History, "Roman women welcomed the touch of the hides because it was believed to make them more fertile in the coming year." All of this ended in a lottery-like matchmaking system to pair the city's young women and men together. Each company will show the location of where it is going. Democracy in Action[] Complete the Election Day job on the Overkill difficulty or above. (400 seconds) Retrieve Gold next to escape van. If the heist goes loud, M18 Claymores (akin to trip mines) may be planted by cops in some parts of the map, usually at the main and side doors. It is possible to stealth up till placing the C4. To kick things off, an order of Roman priests known as the Luperci would gather in a sacred cave where, according to legend, Rome's founders were cared for by a wolf. The bag will appear to have been delivered without issues, but a Cloaker will drop down through the roof hatch to ambush anyone near the door. You do not actually need to tag the mission to sabotage the voting machines. Throwing body bags into the water will cause it to disappear, making it a good way of hiding it from guards. Scramble the server. (optional - stealth only) Secure the bags of Money inside the cages. Trophy-Computer.png Trivia[] Election Day is mentioned in numerous heists in PAYDAY 2, including (but not limited to) Four Stores, Mallcrasher and Bank Heist, amongst others. Open the front cages with keycards if necessary, and only drill the cages further back. My Notes: Suspicious activity around the ballot machines potentially points to some crooked political crime, though perhaps this was Bains' intention. (359 seconds) Once drilling is complete, there are potential different outcomes: The vault may have stacks of cash, if it does, your objective is to take required amount of loot. Day 2 (Plan C): The cage inside the vault will always be locked (requiring drill, C4 or saw). Crates will always be placed randomly around the map. The Hot Lava 2.0 achievement is an achievement with the same name as an achievement (Hot lava) from PAYDAY: The Heist, in which you cannot let law enforcers touch graffiti in Panic Room, hence 2.0 in the name. If the alarm is raised on Day 2 Plan B after the truck containing the gold is opened, players can continue to finish looting the gold but they will not earn the achievement "I'm a Swinger". O Say Can You See By The Dawn's Early Light The teasers of the achievements are the first several lyrics of The Star-Spangled Banner, the USA's national anthem. If a Metropolitan Police officer spots a ballot machine in the process of being hacked he will disable it first before raising the alarm. Hostages and law enforcers will also be killed, but there is no cash penalty for killing hostages with this method. If containers don't contain the voting cards then you will need to use the computer to find out which truck is correct or take a guess. Get The Thermal Drill from the Elevator. The company that is not shown on the computer will be the truck that you need to tag with the GPS. The FBI Files[] There were sightings of the Payday crew at the docks where the voting machines for the Mayoral elections were being stored, as well as at the warehouse where they were transported. They are the only ones, if Day 1 is successfully stealthed. Not exactly. Interact with the computer and remember each company listed. If one opts to use a saw to open the cages, they may utilize Berserker with Frenzy instead of the Fast Motor. Guessing There will be six trucks. The heist's DLC page on Steam strangely features an image of Big Oil Day 1. However, if the correct truck is tagged but the first day went loud, then a lot of Metropolitan Police officers and a police car will spawn on the map. This method has a random chance but is faster. Cages will always be covered. On day 2, when reinforcements arrive after the crew kill too many guards in stealth, a guard will walk up to the front gate, open it, walk around the warehouse and if he does not spot anything suspicious, he will walk over to the gate, make a call on his radio, walk over to the van and then walk off the map. Photo Courtesy: Circle of Adam Elsheimer/Wikimedia Commons So, did Lupercalia involve chocolates and heart-shaped sweets? Notes[] The polling station and surrounding area is packed with guards - at least half a dozen, if not more. Alternatively, they may be opened with the OVE9000 saw (equipped with the Silent Motor if stealthing), or with a keycard on the panel. To do this, the crew should be equipped with stealth loadouts. 4 More Years[] Complete the Election Day job on the Mayhem difficulty or above. Those trucks are not the ones you want. Guards can see a hacked ballot machine that isn't closed if they happen to walk above it, although this rarely happens. Dead/Dominated/Alerted Guards and Civilians. The camera operator can either be on the left or right side of the building's office areas upstairs. The goat's hide was then dipped in blood, taken to the fields and, finally,

given to the Roman women. Held on the ides of February, Lupercalia was meant to bring — a time that's most often associated with fertility and birth. The warehouse has extra loot (money) that will spawn normally inside the cages that can be bagged and carried out to the van for an added payout bonus. According to the Catholic Church, there were at least three martyred saints named Valentine or Valentinus, so it's difficult to determine for whom the day was named. White containers can now be aqua light blue. So, what are the origins of Valentine's Day — and why has the holiday endured?The Pagan Origins of Valentine's DayLike so many of our modern-day celebrations, Valentine's Day may date back to a pagan festival, at least in part. (30 seconds stealth / 100 seconds loud) Hack the computer. As detailed in Bain's notes, this map has several long, clear lines of fire; exercise caution when fighting outside of the bank and when moving to retrieve the drill. And the rest, as they say, is history. If you have found the correct color of the truck but there are 2 trucks with the same correct color and both are from a separate company that don't have another pair then you will need to find the computer or take a guess. We need to swing a few voters the right way. The player may also intentionally tag the wrong truck to go to Day 2 Plan C. Broken (but not open) Windows.
