Latvia All channels. Eyewitness News has won the Massachusetts/Rhode Island Associated Press News Station of the Year award nine years in a row since 2004, its most recent coming in May 2012.[15] WPRI and WNAC were the last stations in the market to upgrade their newscasts to high definition, though they were first to experiment with the format through promotional materials and debates during the election season in 2010. Cameroon All channels. It shares resources with WBZ-TV for coverage of Southeastern Massachusetts. Footage previously shot from the chopper was still used for B-Roll as stories warranted or at the end of a newscast. [citation needed] On February 18, 2009, WNAC launched an hour-long lifestyle and entertainment magazine-type program called The Rhode Show that aired weekday mornings at 8:00 a.m. A new secondary set for the show was built with a fully functional kitchen. Even when it became apparent that WPRO-TV would miss its target air date, CBS opted to continue its secondary affiliation with NBC station WJAR-TV (channel 10) rather than move its programming to ABC affiliate WNET-TV (channel 16, now the present-day WNAC). Japan Japan pioneered in its analogue HDTV system (MUSE) in 16:9 format, started in the 1980s. The merger was completed on January 17, 2017. Older contents in 4:3 and news contents are stretched on SD variants of these channels as stretching on SD channels is common. At the time, the FCC normally did not allow common ownership of multiple stations with overlapping coverage areas and would not even consider granting a waiver if the overlap was between city-grade signals. FOXProvidence.com. It was expanded to one hour in mid-1995. Newscasts in the interim aired from The Rhode Show studio. In return, WPRI does the same for its coverage of the same for its coverage of the same area. Uganda All channels. Sunrise Television acquired WPRI in early 2001 for \$50 million. September 25, 2017. This was to accommodate the move of MyRITV, the market's MyNetworkTV affiliate, from WNAC-DT2 to WPRI-DT2 as part of a broader shuffle where the programming and CW affiliation of WLWC's main channel was purchased by Nexstar several months before after WLWC's owner, OTA Broadcasting, sold their spectrum in the FCC's 2016 incentive auction and decided on a channel share with WPXQ-TV. Georgia All channels. News personalities included Mort Blender and Walter Cryan while the beloved Hank Bouchard did a multitude of on-air duties. In this case, WNAC cannot be co-owned directly with WPRI. Romania Always on 16:9: Antena channels (Antena 1, Antena Stars, Antena 3, Happy, ZU TV, Antena International), RCS & RDS channels (including Digi24, U TV, Music Channels, Variety, Pro 2, Pro X, Pro Cinema, Pro Gold, Pro TV, Antena International), RCS & RDS channels (Pro TV, Pro 2, Pro X, Pro Cinema, Pro Gold, Pro TV, Pro TV, Pro 2, Pro X, Pro Cinema, Pro Gold, Pro TV, Pro TV, Pro TV, Pro 2, Pro X, Pro Cinema, Pro Gold, Pro TV, Pro TV Internațional) Always on 4:3 with 16:9 stretched: CNM channels (Național TV, Național 24 Plus, Favorit TV), TVR regional channels (TVR Cluj, TVR Craiova, TVR Timișoara), Prima TV. For the TV series, see 16x9 (TV series). Narragansett Television sold WPRI to CBS in early 1995, making it a network owned-and-operated station (and one of the last such acquisitions prior to the Westinghouse Electric Corporation's purchase of the network). 16:9 (1.77:1) is a widescreen aspect ratio with a width of 16 units and height of 9. Greece All channels. The CinemaSource Press. In August 1995, Westinghouse bought CBS for approximately \$6 billion. Since then, however, WPRI has mounted a spirited challenge to WJAR's dominance. United States All HD channels. A 2008 report by DisplaySearch cited a number of reasons for this shift, including the ability for PC and monitor manufacturers to expand their products with wider screens and higher resolutions, helping consumers to more easily adopt such products and "stimulating the growth of the notebook PC and LCD monitor market".[8] By using the same aspect ratio for both TVs and monitors, manufacturing can be streamlined and research costs reduced by not requiring two separate sets of equipment, and since a 16:10 panel of the same length, more panels can be created per sheet of glass.[9][10][11] In 2011, Bennie Budler, products at Samsung South Africa, confirmed that monitors capable of 1920 × 1200 resolutions are not being manufactured anymore. Expect Telecanal in 4.3 in ident 4:3 letterboxed in commercials Colombia All channels. Producers can also choose to show even wider ratios such as 1.85:1 and 2.4:1 within the 16:9 DVD frame by hard matting or adding black bars within the image itself. ^ Crowe, John (September 1, 2017). Uruguay All channels. News operation Traditionally, WPRI has been a solid, if usually distant, runner-up in the ratings to long-dominant WJAR. ^ [1] Archived April 5, 2012, at the Wayback Machine ^ "CBS Boston is Now Your Home for New England Revolution Soccer". The channel was due to join CBS because of WPRO radio's long affiliation with CBS Radio. On May 18, 2007, LIN TV announced that it was exploring strategic alternatives that could have resulted in the sale of the company. Vietnam All of VTC's channels, VTV channels, HTV channels and K+'s channels (selected programmes), most of local channels. Hicks, Muse, Tate & Furst (forerunner to HM Capital Partners), a private-equity firm co-founded by Texas Rangers and Dallas Stars then-owner Tom Hicks, was the majority owner of LIN TV. "It is all about reducing manufacturing costs. However, the three stations continued to share the Mason Street studio until 1974, when they moved to separate facilities in East Providence. Netherlands All channels. Just months after the sale was announced, the FCC eliminated the requirement of a waiver for common ownership of television stations in adjacent markets with substantial grade B signal overlap. Together, this is known in weather segments as "Live Pinpoint Doppler 12". Sweden All channels. News has never been more local than in the palm of your hand. History WPRO-TV (1955-1967) The station debuted on March 27, 1955, known as WPRO-TV (for Providence). Massachusetts-licensed Nexstar sister station and NBC affiliate WWLP's studios in Chicopee. Also, all 4:3 contents including news clips are stretched as stretching is common. 2001. Finland All channels. *Watching a video? Retrieved from "External links "NEC Monitor Technology Guide". In the February and May 2010 Nielsen ratings period, WPRI was second in all timeslots, with its 6:00 pm newscast reaching nearly 20,000 fewer viewers than WJAR's newscast. When Sunrise bought WPRI from Clear Channel in early 2001, WNAC was sold to LIN TV due to FCC regulations forbidding common ownership of two of the four highest-rated stations in the same market. At the same time, HMTF also controlled a large block of Sunrise stock. ^ Searching for the Perfect Aspect Ratios" (Technical bulletin). Paraguay Almost all channels on free-to-air television, especially HD feeds (ex.: RPC, NPY, Unicanal, channel 7 HD). WPRI took over the station's operations on September 28, 1997, when WNAC moved its operations into this station's facilities. See also Display aspect ratio 16:9 on Commons References Wikimedia Commons has media related to 16:9. 2009-04-14. « Hardware « MyBroadband Tech and IT News". Archived from the original on November 14, 2012. The WPRI 12 Eyewitness News is "Coverage You Can Count On." Your local leader in weather, and breaking news for Providence, Rhode Island, and southeastern Massachusetts. FEATURES: Watch video of your trusted reporters on the scene, and read revealing articles on what's going on in your community. Plan your day and week with detailed weather conditions, live alerts of severe conditions, and an interactive radar map. Optional alerts on breaking news keep you in the know. On the go? Both stations share studios on Catamore Boulevard in East Providence, Rhode Island, while WPRI-TV's transmitter is located on Pine Street in Rehoboth, Massachusetts. Its current hosts are Tim White and Ted Nesi.[17] Notable current on-air staff Michelle Muscatello - meteorologist Notable former on-air staff Karen Adams - 5:00 p.m., 6:00 p.m. and 11:00 p.m. and 11:00 p.m. news anchor (1989-2010; now retired) Ernie Anastos - (news anchor, 1976-1978, later with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma mater, the University of Maryland) Salty Brine - (concurrent with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma mater, the University of Maryland) Salty Brine - (concurrent with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma mater, the University of Maryland) Salty Brine - (concurrent with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma mater, the University of Maryland) Salty Brine - (concurrent with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma mater, the University of Maryland) Salty Brine - (concurrent with various stations in New York City, was at WNYW) Jess Atkinson - (sports director, 1996-2000; former NFL placekicker, now back at his alma with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was at which with various stations in New York City, was a WPRO/630, deceased) Steve Cascione (meteorologist, 2002-2007, also formerly with WLNE-TV, now with the Rhode Island Department of Transportation) Walter Cryan, (1965-2000; now retired) John Daly (later with New England Cable News) Vince DeMentri (news anchor, 1990-1992, 2009-2010 previously in New York City, last with WICS Springfield, Illinois) Mike Gorman (sports director, 1978-1985, now with NBC Sports Boston) Mark Haines (1976-1979; later with CNBC; now deceased) Kristine Johnson (news anchor/reporter, 1997-2006; now at WCBS-TV New York) Camille Kostek -Guest anchor for The Rhode Show in 2015 Harvey Leonard (chief meteorologist, 1974-1977 later with WHDH Boston, now with WCVB Boston) Deb Placey (sports anchor/reporter, now with MSG Network) James J. Many digital video cameras have the capability to record in 16:9, and 16:9 is the only widescreen aspect ratio natively supported by the DVD standard. Common resolutions for 16:9 are listed in the table below: Width Height Standard 256 144 426 240 640 360 nHD 848 480 FWVGA 960 540 qHD 1024 576 1280 720 HD 1366 768 WXGA 1600 900 HD + 1920 1080 Full HD 2560 1440 QHD 3200 1800 QHD + 3840 2160 4K UHD 5120 2880 5K 7680 4320 8K UHD Countries Europe In Europe, 16:9 is the standard broadcast format for most TV channels and all HD broadcasts. Saudi Arabia All channels. Germany All channels are full frame, may contain 768 × 576p, but a video player software will stretch this to 1024 × 576p. Because Media General already owned NBC affiliate WJAR and the two stations ranked as the two highest-rated stations in the Providence market in total day viewership, the companies were required to sell either WJAR or WPRI-TV to another station owner to comply with FCC ownership rules as well as planned changes to those rules regarding same-market television stations which would prohibit sharing agreements; the LMA involving WNAC would be included in the sale.[2][3][4] On August 20, 2014, Media General announced that it would keep WPRI and the LMA with WNAC and sell WJAR to Sinclair Broadcast Group, even though WJAR has higher ratings.[5][6] The merger was completed on December 19, 2014.[7] On January 27, 2016, Nexstar Broadcasting Group announced plans to merge with Media General. Bosnia and Herzegovina All channels. In 1996, WPRI began producing the market's first nightly prime time newscast at 10:00 p.m. on WNAC, then titled Eyewitness News at 10 on Fox Providence.
