Here is a good example: A"May you always go with confidence in the search for your dreams and live the life you really want!A Short not sweetHappy Birthday SMS messages are an alternative way to let someone know you're thinking about them, at least until you hand them a card later. I wish them nothing less in return. A"Happy adaC'A adaC'A :asoigiler n'Aisnemid anu rida±Aa ed arenam arto yah Auqa oreP .sodinevneib nos erpmeis on socilbÁ solucAsrev soL It is an opportunity to take a step towards and appreciate all the beautiful things with which we are blessed. A e oWe see you too late, birthday cards may seem redundant if you are physically spending time with the recipient. addressee.
