George Washington

George Washington was born in Virginia in 1732. His father was a landowner. He died when George was just 11 years old. George's brother Lawrence took care of him. When George was 16, he went to work as a surveyor. This is a person who measures land. In 1753, George became a soldier. He fought in the French and Indian War.

In 1759, George married the widow Martha Custis. Martha's husband had died. George took Martha and her two children to Mount Vernon to live. George owned a lot of land. He was elected to the Virginia Legislature. At this time, people still had to listen to British rulers. They were not happy. These rulers were treating them unfair. The people decided to go to war with England. George was made a general in the Continental Army in 1775. For the next six years, George led the army. The British Army surrendered in 1781.

Now that the people were free they needed someone to lead the new country. The people wanted George to be their president. George Washington was first elected president on April 30, 1789. He was the first president of the United States. He is known as the Father of Our Country. George served as president for eight years.

Just a few years after leaving office, George caught a cold and became very sick. He died on December 14, 1799. George Washington was a brave person. He loved our country.
