These Quicksheets are a brief bit comprehensive review of many of the important definitions, diagrams, and equations covered on the MCAT. It also contains a helpful infographic on Development and many useful mnemonics! This is very similar to the original version but a bit more updated. Lazy_OCD 86-Page Psychology & Sociology Document Lazy_OCD took our infamous 334-page Psychology and Sociology Content Review Document. This document is great for students who may not have the time to review our entire 334-page Psychology and Sociology Content Review Document or who may be looking for a less detailed review document for this section of the MCAT. Hardcopy of these notes can be purchased. These include practice exams from AAMC, NextStep, Atlius, and Kaplan. What this means is that a question may at first appear to be very difficult because of the way it's worded, or because it is given in the context of a strange experiment that you've never heard before. If your deferral request is denied, you can either remain in your accepted term or reapply for a future class. Was in great condition. Start doing MCAT questions as early as possible, in conjunction with content review. Working like a built-in study guide, the superbly integrated, inquiry-based learning system guides you through every chapter. Use the online notes here to guide your studies. However, if you work MCAT problems while doing content review, you'll retain most of what you learned. You can do this by going to File > Make a Copy or File > Download*MCATBros' Khan Academy's C/P, B/B and P/S Notes - PDF VersionThe link below contains several documents containing notes created based on Khan Academy videos for C/P, B/B and P/S sections of the MCAT. These include notes on Biomolecules, Enzyme Kinetics, Organ Systems, Physical and Chemical Systems, Behavioral Sciences and Sociology, to name a few. This dec was made based on previous guidance issued by the U.S. Department of Education. It also contains a helpful infographic on Development and many useful mnemonics!MCAT Review and Mneumonics Sheet - Version #2This document was made by a pre-med student who was studying for their MCAT who wanted to create a review and mnemonic sheet for the MCAT. You can do this by going to File > Download* MCATBros' Basic Practice Problem Error LogsCreated by MCATBros, we have created a basic practice problem error tracker for students to use when reviewing their practice. This google sheet contains sections for each topic covered by the MCAT and allows for students to actively review their work after completion. We have a more robust version of this error log that computes lots of data based on results as a component of our Comprehensive Prep Plan. Incidentally, the stuff that you retain will be the stuff that you retain will be tested on the MCAT. You can quickly check the key points at the end of each section before moving on to the next one. This is a great tool for students to utilize when they are looking for free passages to help target certain target areas while studying.u/badman-777-101's Khan Academy MCAT Videos DatabaseThis spreadsheet contains links for every Khan Academy video that pertains to the MCAT with categorization based on unit and chapter titles! This is a great tool for students who are using Khan Academy to help learn content and want to quickly find videos that cover certain topics without having to filter through Khan Academy to help learn content as the one on the left. What this means is that you must do content review in conjunction with working real exam questions. This tracker includes each Foundational Concept and it's description, and each sub-category with description, and each sub-category with description. MCATBros' 334-Page Psychology & Sociology Content Review DocumentCreated by the founder of MCATBros, this infamous P/S document has become viral on many pre-medical forums and has helped many students earn top scores in this section. This includes definitions for topics in Biology, Anatomy, Biochemistry, Metabolism, Physics and Math, Hormones, Enzymes, Organic Chemistry and Behavioral Sciences, to name a few. It has been used for two semesters and is still in great condition. Though the score will not have any bearing on your chances of being admitted, a high score on the MCAT exam may qualify you for academic scholarships at AUA. Within this document contains everything (and likely more) that can be covered in the P/S section of the MCAT. There's only so many concepts an introductory course can cover, and there's only so many ways one can test these concepts. Thus, we have provided a free schedule that students can emulate for their own studies. Remember that this schedule should be adapted based on your diagnostic score, content learning needs, and hours you are able to study. The TOEFL code assigned to American University of Antigua College of Medicine is B573. There are also explanations for a few AAMC resources such as Section Bank and QPacks.MCATBros' Score ConverterThis is a revamped version of our Score Converter! This can be used to compute scores for exams like the AAMC Sample Exam, for you to compute section scores during practice if you are building full-length exams from 3rd party resources, or whatever other reason you need to compute section and full-length exams from 3rd party resources, or whatever other reason you need to compute section and full-length exams from 3rd party resources. study materials that have been posted online and made freely available in print versions if you prefer to work with booklets versus digital copies. Valid reasons for deferring include: Personal or family injury/illness Unanticipated financial aid/loan issues Academic or employment obligations A \$1,000 nonrefundable deferral fee is required for all requests—this amount will be applied to tuition for first semester if you start class by the deferral date. Some of these have even been created by former students of MCATBros! MilesDown is the perfect document for students looking to get a rundown on content covered or the MCAT. First, review only the topics that will be on the exam. Also, if you like AK lecture's notes or want to use them to follow along with the videos, this database is a one-stop shop to gain access to these notes as well. The tenth edition offers expanded integration of the text's five quiding themes of biology (the evolution of life, the transmission of biological information, the flow of energy through living systems, interactions among biological systems, and the inter-relationship of structure and function) and innovative online and multimedia resources. MCAT AAMC Outline Notes - Science SectionsA pre-med student studying for their own MCAT took the AAMC outline and used it as a framework to build notes while studying for their MCAT. At the end of the chapter, a specially focused summary provides further reinforcement of the learning objectives and you are given the opportunity to test your understanding of the material. After realizing this, you'll be able to see right through the strange experiment and realize that the question is simply testing you on some very basic concept, like Le Chatelier's principle, just disguised in the context of some unfamiliar situation. You want to review for the MCAT in the most efficient way. Students with approved deferrals may not attend another medical school during the deferral time period, and will be required to confirm the above before matriculating. Second, review these exam topics with the test in mind. They cover topics in General Chemistry, Organic Chemistry, Physics, Biology, Biochemistry, and Behavioral Sciences. An international applicant who completes his/her required academic courses from an English-speaking academic institution will be exempt from this requirement. Comprehension Evaluation Application Incorporation of new information Source: Official testing topics were obtained directly from the AAMC. Transfer Policy Deferrals At AUA, you can request to defer your class start date by one semester, on a one-time basis. It includes definitions, equations, diagrams and images. There is also a ANKI deck that this creator has made that coincides with their review sheets. Hardcopy of these notes can be purchased. View admissions requirements for Canada Are you an applicant from India? Please email Kelley Taptich, AUA's National Director of Admissions, to request a deferral. You will need to provide supporting documentation when you submit your deferral request. We may require a Test of English as a Foreign Language (TOEFL) or International English Language proficiency could interfere with that student's academic success at AUA. Lab Techniques are a popular topic on the MCAT and understanding the purpose and how these tests are performed is vital to understanding data results that show up in passages. If your deferral request is accepted and you are later unable to attend the deferred semester, you'll have to reapply. To sum things up, review for the MCAT effectively by going over the official test topics published by the AAMC. Applicants who have completed their undergraduate studies in countries having an educational system different from that of the United States will be evaluated on their merits and will be expected to have completed a pre-medical curriculum comparable to one offered in the U.S. All required documents, if originally in a foreign language, must be accompanied by a notarized English translation. *Please download a copy of this Google Sheet for your personal use.
