While the escort agency is remunerated for this booking and referral service, the client must negotiate directly with the escort for any additional fees or arrange any other services not provided by the participating agency, such as the provision of sexual services (irrespective of the legality of these services). While things like french kissing are in the gray area, keep in mind that we only list the meeting place, the date and the right escort and her outfit. For example if you want the girl to wear a dress or loose we can arrange that. Not for underwear material. This is normal for Aerocity escort agencies. We also do not offer massages as we are not an Asian massage place. We offer Aerocity Escort for discreet clients like you. Although many of our Aerocity girls are 18+ and most have an average age of 23 and we can ask an attendant if they can drink alcohol, please understand that our manager cannot arrange or enforce social drinking companionship , since this is their choice.
